

*****Nevada's Second Punch*****

**Invitation to the Press and All Wild Horse and Burro
Advocates Nationwide**

**The 'Alliance of Wild Horse Advocates'
Demands the truth, the whole truth, and nothing but the
truth!**

**"TRUTH RALLY"
February 20, 2010**

12:00 until 3:00 PM

in front of the Legislative Building
North Carson Street – U.S. Highway 395
Carson City, Nevada (State Capitol)

**The Battle for Truth Into BLM'S Wild Horse and
Burro Program**

***In memory of The 78 Deaths (which includes 30 aborted foals)
and Continuing Loses from The Calico Roundup.***

**It is the goal of the Alliance of Wild Horse Advocates to
present our position regarding the inconsistencies and
misinformation that has been circulated by the BLM and wild
horse and burro opposition. What BLM does not say is more
revealing than what they do say. We are in the process of
preparing a list of just a few of BLM's incorrect and/or
incomplete statements, along with the absolute facts of BLM's
mismanagement of our wild horses and burros.**

**The goal is for change in plan and policy, the admission of truth
and facts and to open communication lines to set this program
on the path that provides for protection and careful
stewardship for all wild horses, burros and our public ranges.**

**There will be an informational table at the Truth Rally with
comparison fact sheets to present to both the press and to the
public. It's time for a thorough investigation of BLM's Wild Horse
& Burro Program.**
